

DESCRIPTION

The Youth Ministry Intern will be supervised by the Youth Pastor. The Intern and Pastor will work closely together to plan, organize and implement recreational and educational experiences for youth and their families. The Intern will be mentored by their department's Pastor. The Pastor oversees the Intern's job performance and development and gives weekly guidance and support. The majority of the intern's practical time will be spent providing teaching and caregiving to youth in grades 6-12. Some of their time will be spent collaborating with the Kid's Ministry Intern to help with children aged 0-10. During the Summer months the Children's and Youth Ministry Interns will collaborate together to lead four Summer High School Interns in running summer programs. This internship is not only a platform for discipleship but also an opportunity to develop leadership, teaching, and teamwork skills while discerning your God-given aspirations and abilities.

QUALIFICATIONS

- Client Service - Client Service refers to the ability to communicate efficiently and professionally with clients. At work, client service skills are required to interact with clients on behalf of the employer.
- Teamwork - Team Work refers to the skills needed to interact with other people. At work, people work with others in pairs and in small and large groups to coordinate tasks, share resources, plan, make decisions, negotiate, solve conflicts and complete other activities that involve teamwork.
- Communication - Communication refers to the skills needed to exchange thoughts and information with other people. This exchange can happen orally by speaking, listening and using non-verbal cues, such as body language or in writing. At work, people use communication skills to talk to customers, discuss products with suppliers, explain work procedures to co-workers, participate in virtual sales meetings with clients, and other activities that involve verbal or written exchanges.
- Digital skills - Digital technology refers to the skills needed to understand and use digital systems, tools and applications, and to process digital information. At work, people use digital technology skills to input, access, analyze, organize, create and communicate information and ideas using computers, software, point-of-sale equipment, email, podcasts, web applications, smart phones and other digital devices.
- Leadership - Leadership refers to a number of skills, including communication, relationship building, and the ability to delegate and traits such as honesty. At work, leadership skills are required when working in a team, demonstrating initiative, and taking responsibility for the completion
- Character - Character encompasses a range of qualities, including integrity, compassion, and resilience. At work character is essential when engaging and investing into children, and working collaboratively.

RESPONSIBILITIES

- Be involved with planning, coordinating, and implementing children, youth, and family recreational, caregiving, and educational programs.
- Co-Lead Summer Outreach Interns in planning, coordinating, and implementing summer children and youth programming.
- Work on an experienced Children and Youth team.
- Receive training in Work Safe, Plan to Protect, and Child Development.
- Maintain healthy work relationships with others while working on a team.
- Nurture character growth individually and in children and youth.
